Soccer Coaching & Multi-Sport Activities

SkillZone - inspire, encourage, develop

Professional soccer coaching sessions for all abilities - challenging players at their skill level. We encourage positive play at all times, building children's skills, confidence and self-esteem. Talented players will be inspired by a dynamic style of coaching that engages them from the outset in an exciting and motivating session and may be invited to attend a SkillZone Platinum Centre. A typical day will include fun warm up games, followed by skills coaching and drills and mini matches, practising new skills learned that day. Tournaments are held on Fridays and children compete in teams to win "The SkillZone Cup".

Funsport Coaching - making sport fun for everyone

Our innovative programme of games and skill practices will greatly enhance the development of your child's ABCs - Agility, Balance, Co-ordination - the fundamentals of sporting performance. A typical day will include lots of fun games such as Medicine Man, Ultimate Frisbee, Capture The Flag and Shark Island; plus there is a swimming option for children attending Foxhills.

The "Funsport Games" are held on Fridays and children compete for their team to win a "Gold Medal".
