

About us

Monarch Studios specialise in age-appropriate dance and performing arts coaching for children and young adults, with dynamic programmes designed for pupils aged two to 18. By introducing young minds to dance and drama, students are given a solid base to build confidence, trust, coordination and self-awareness. Whether your child is new to dance, drama and singing or very experienced, the Monarch Studios team will spark an enthusiasm for learning and assist in their growth and confidence.

"My children have never felt so motivated, inspired and encouraged to be themselves! I am so thankful that we found a place for them from such a young age. In just one year they have both completely blossomed! I can't believe what they have learned and accomplished in such a short period of time. This place is fantastic!"
