MATTERS ARISING

There were no matters arising

CAPTAINS REPORT AND BUSINESS

Juniors

The Captain reported that Phil had volunteered to look after junior competitions with help from Pedro. It was also agreed that we would look for a parent to assist. Clare Taylor was suggested.

Ammar suggested that a junior captain may help although it was agreed this would be against the “all inclusive” ethos of the club. It was agreed that a junior representative may be a good idea in the future.

Drawn Competitions

Drawn competitions are a great way to allow new members to mix but are unpopular with existing members. The requests from new members for games is currently low and it was agreed that drawn competitions would only be used where stipulated in the Competitions Manual and we will monitor numbers before making a decision on any changes.

Club Championships

It was agreed to advertise the Club Championships in the format suggested at the last meeting and Mike will put up a list of each members qualifying competitions. There was some discussion regarding 5 day members entering but it was agreed to look into a separate 'handicap and scratch club championship' for the five day members, possibly with a different name. This could be set up on an existing midweek medal date.

Captain's Away Trip

There are 15 members and Sean going on the away trip to Formby Hall in June. We are playing Formby Hall, Royal Lytham St Annes and Hillside.

Golf Genius

Golf Genius is now configured for booking and the first competition will be the Secretary's Shield on 1st May. The Captain agreed to put the competitions for May and June on the system pending training for the Committee.

FOXHILLS MANAGEMENT REPORT

Chris gave an update on the Esso pipeline and outlined Foxhill's plans for the the duration of the works and it's vision for the future. There was an extended discussion following the update.

Sean outlined the driving range improvements planned for May, and mentioned an email is planned to outline improvements to greens over the next few months.

COMPETITION CHAIR REPORT

Sue's report is attached.

It was agreed that the summer knockouts will run between 1st May to the 4th September. The limited time available for each round will be highlighted in communications.

Sue agreed to prepare a communication for All Winners Day so that new members understand its significance.
