

Welcome to Golf at Foxhills in 2021

We have lots planned for you, competitive golf at home or representing Foxhills in any one of our many teams supporting our external fixtures. Fun golf, from our yearly Greenkeepers Revenge to our popular fun drawn competitions or just a social round with your golfing buddies.

Following 2020, an unprecedented year for fixture amendments and cancellations due to the global pandemic, we would like to introduce your new diary view. Designed to allow you to add, amend and utilise what could be a changing schedule again in 2021. The 365-day layout will enable you to add further fixtures as and when they are confirmed in the first quarter and rest of the year.

Fixtures with (H) are a home match and fixtures with (A) are an away match, courses and times are subject to change and can be found when signing up for the competition via Howdidido.

For advice or further information regarding golf at Foxhills, please contact either myself or any of the committee members listed.

We look forward to seeing you out on the course soon.

Stay safe, play well and enjoy your golf

Dawn Turner  
Club Captain

We run a 15-day booking policy for all Members.

### If I need to cancel a tee time, what can I do?

- Cancel a tee time using our 'cancellation request button' found within your booking summary inside the online booking portal. By pushing that button and confirming, an email will be sent to the pro shop team to cancel your booking. This trail confirms your cancellation as a member and nothing else needs to be done.

3. Call **01932 704465** and speak to a member of the Pro Shop Team. Please note we have a holding line and you may be required to queue to reach us. This is the least recommended booking avenue. **This must be done within 24 hours in advance of your requested tee time.**

If you are having issues with your online portal, the Pro Shop team are able to help you with this. Cancelling your tee time within 24hrs of the allocated time will be deemed to be a no-show, as the time is unlikely to be re-allocated and therefore wasted. Examples of no show reasons that will not be accepted are:

- 'It was raining and I didn't want to play'
- 'I was unable to get through on the phone' (other avenues are available)
- 'My swindle decided that we didn't need the extra tee time so we're giving a time back.'

\*Please note that if you are booking regularly on behalf of a swindle group and a no show time occurs, it will be attributed to whichever member was assigned to that booking time, even if you weren't planning to attend.
